

Stephen O'Brien "OBIE"

Stephen O'Brien was taking his daily afternoon walk around the Sugar Bowl on Castle Island, in South Boston, when the 50 year old father of three was tragically struck by lightning. Stephen died shortly after on August 9, 2010 from injuries sustained when he was struck.

Stephen was raised in South Boston and resided in Rockland. He was well known around the community for his contributions and personality. Stephen (Obie) O'Brien was a loving husband, a devoted father of three, a brother, a son, an uncle, a brother in law and a grandfather, not to mention a friend to all.

Please help us honor Stephen's Memory, on June 3rd in the Second Annual Stephen O'Brien Memorial Golf Classic.
